GENEVA NURSERIES

YOUNGERS & CO.

: : PROPRIETORS : :

GENEVA, NEBRASKA

Entomologist's Certificate of Nursery Inspection.

This is to certify that on the 9th day of September, 1912, I personally examined the growing stock and premises of the Geneva Nurseries, Youngers & Co., Proprietors, Geneva, Nebraska, and found no San Jose scale nor indication that it had ever been present in the nursery or its vicinity. The stock is apparently in a healthy condition and free from other dangerous insect pests and fungous diseases.

This certificate is good for one year from date.

Myron H. Swenk

Assistant Entomologist.
